## REQUEST FOR EXTENSION OF TIME

Olympic Broadcasters, Inc., licensee of FM Broadcast Station KQNC, Quincy, California, through its attorneys, hereby requests an extension of time, from December 8, 1992 through December 21, 1992, for filing reply comments in the above-captioned matter for re-allotment of Channel 271A to Susanville, California as a Class C2 channel and modification of the license of Station KQNC accordingly. In support of this request, the following is set forth.

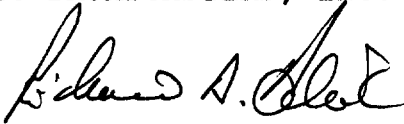

1. Opposing comments were timely filed by Sierra Broadcasting Corporation, licensee of Stations KSUE and KSUE-FM, Susanville, California, and Ralph E. Wittick, licensee of Station KPCO(AM), Quincy, California; counsel for these two parties have consented to the requested extension of time.

2. The additional time requested by Olympic will permit its consulting engineer, a sole practitioner, an opportunity to analyze the gain and loss areas resulting from the proposed move of the frequency from Quincy to Susanville; because of existing

work commitments, Olympic's consulting engineer cannot begin, let alone complete, the necessary analysis by the current December 8 reply comment date. The requested extension of time will not prejudice any party and, in the interest of full disclosure of relevant facts, would be in the public interest.

Respectfully submitted

OLYMPIC BROADCASTERS, INC.
